

## House Resolution No. 3329

**Whereas**, the members of the Missouri House of Representatives occasionally pause to applaud the career achievements of those individuals who have retired from the field of education; and

**Whereas**, Jerry Hudson has retired as the boys track and field coach at Monett R-I High School after an exemplary career which included nine conference championships, two district championships, and a third place finish in the state track meet; and

**Whereas**, Coach Hudson also enjoyed recognition by having the opportunity to coach fifty-two all-state athletes and six state champions; and

**Whereas**, deeply committed to the great cause of learning, Jerry Hudson served in the Neosho R-V School District for five years and Kansas University for one year prior to assuming his responsibilities at Monett R-I, where he was held in high esteem and demonstrated compassion and understanding; and

**Whereas**, Jerry Hudson watched his pupils grow, develop, and mature through the knowledge he imparted to them both as an educator and as a coach; and

**Whereas**, so many young Missourians have left the classrooms of Monett R-I fully prepared to face the challenges ahead as a result of the outstanding professional endeavors of Jerry Hudson; and

**Whereas**, Jerry Hudson has been blessed with the love and support of a wonderful family whose members include his wife, Judy Hudson; and two children, Brett Hudson and Betsy Hudson:

**Now, therefore, be it resolved** that we, the members of the Missouri House of Representatives, Ninety-fourth General Assembly, join the Monett R-I School District in expressing appreciation for the unparalleled service that Jerry Hudson rendered to Missouri's children and in wishing him the long, fruitful, and enjoyable retirement that he so justly deserves; and

**Be it further resolved** that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution for Jerry D. Hudson, as a measure of our esteem for him.
